

Directions to HFHNCM Sterling project work site (17 Myrtle Ave, Sterling, MA)

Travelling from Fitchburg on MA Rte. 2 East (toward Concord/Boston), take a slight right onto I-190 S (signs for Leominster/Worcester).

Continue on I-190 for 5.5 miles.

Take exit 6 for MA-12S toward Sterling/Clinton.

Turn left onto MA-12S toward Sterling and continue for 2 miles.

Continue through centre of Sterling, staying on Rte 12.

Travel approx. 2 miles. Turn Left onto Gates Road.

Cross over railroad tracks, continuing straight onto Lakeview Ave.

Take first R onto Prospect.

Road curves around to the left becoming Circle Avenue.

Park on the large grassy area to the left. Be sure not to park wherever there is a graveled parking area laid down – these belong to other residents of the village.

After parking, continue to walk around Circle Avenue, turning right onto Myrtle Avenue.

#17 is halfway up the street on the left. Continue past the house to the Habitat construction trailer further along on the right for sign in.

If volunteering as part of a group, please consider carpooling. Thank you.
